SAN IGNACIO LAGOON ADVENTURES

The Friendliest Whales on the Planet - January - April

Legendary gray whale encounters. Extraordinary interactions in this very special UNESCO national park and reserve. Mommas and babies. Mating and breeding behaviour. You will still be dreaming about these amazing whales long after you meet them.

There is no better way to experience this than with Baja Expeditions and Nautilus. Warm, authentic Baja staff who serve from the heart and instinctively want every guest to have the most perfect stay at our desert camp on the edge of the ocean. Expect glamping and luxury camping, private fly-in flightseeing flights, and combined with relentless focus on safety and excellence in guest experience.

The icing on the cake? Visiting local turtle conservation, on-site massages, cocktail hour, evening naturalist presentations at one of the camp bars, kayaking, nature walks, biking, and complimentary humpback whale watching in Cabo San Lucas.

*Architectural rendering, tent may vary.

We've reimaged our luxury camps for the 2026 season! The new layout includes beautifully redesigned accommodation, dining, and bar tents. Each space captures the essence of Baja with art, color, and handcrafted details.
