

**i** Important notice to our valued guests during the COVID-19 crisis

Our job is to keep our guests and crew safe. **Please do not travel if you recently received a positive COVID-19 test result. Tests are available on request at local clinic. Pre- and post-trip antigen tests are not required now.** For more detailed information on our COVID-19 procedures and protocols, please read out COVID-19 FAQs [here](#). We look forward to welcoming you on board!

Our COVID testing clinic is located close to the SeeCreatures in downtown Cabo San Lucas. The testing clinic will be open all day for your convenience. Please let them know you are a Nautilus guest. Drop by SeeCreatures Cabo to have them point out where to go! As the situation with COVID-19 evolves, we will continue to adapt and improve the measures we are taking. Our goal is to get divers back in the water in a way that maximizes safety and minimizes contagion.

## COVID-19 Best Practices

- **Masks are recommended in all common areas**
- **Social distancing is recommended in all common areas**
- Vital Oxide hospital grade disinfectant with seven day hold time applied with fogging machines
- An intense focus on onboard sanitation. This includes supplying sanitized rental gear in vacuum packs, crew assisted buffet service and automatic hand sanitizer dispensers on the back deck. Mask rinse buckets are unfortunately a thing of the past
- Temperature and health checks
- Protocols and equipment in place if someone onboard does get sick
- **[Click here for Nautilus safe travel recommendations and requirements](#)**

We cannot promise that there won't be somebody onboard infected with the virus but we can promise that we will do our best to provide the most thoughtful, safest and healthiest possible environment. Our COVID-19 policies have been formalized within our emergency processes, our SMS safety management system, our training and accountability protocols and our onboard daily checklists as well as in consultation with shoreside authorities. Please stay safe.
